Dear Ms. Swift,

I am the FOIA Officer for the Bureau of Ocean Energy Management. I am reaching out to you because I need your feedback on documents responsive to a FOIA request from Lauren Dillon of the DNC.

The request is seeking communications between you and specifically identified BOEM personnel regarding the 2019-2024 National OCS Leasing Program and Florida during January of 2018. Please see the attached FOIA for the full scope.

I initially reached out to OS FOIA for consultation, and they recommended that I contact you directly for review.

I analyzed the documents [here](#), and I believe no foreseeable harm will result from the release of the information in its entirety. However, please let me know if you have any concerns that you want considered as I complete my analysis.

Lastly, Dr. Cruickshank's search is still pending, so there is one possible future release once he is done.

Thank you in advance for your time, and please contact me directly with any questions.

Kindest Regards,

Natasha
